Work Experience

Amherst College, Amherst, USA

October 2021 - December 2021

Phonathon Caller

- Raised \$1,350.00 in the Amherst Fund fall Phonathon campaign from 5 people
- Updated personal records for 36 alumni, such as demographic information and donation history
- Made 461 calls to alumni to invite their feedback about the College, solicit donations for the Amherst Fund, and respond to their objections

Nour International, Beirut, Lebanon

October 2020 - May 2021

Teacher

- Volunteered to support refugee children and got the chance to teach English course to 3 refugee children on Zoom
- Created 2 academic videos and 2 presentations to effectively teach the children during the lockdown
- Engaged the students in studying through individual questions, holding group discussions for every individual idea, and then covering all ideas from introducing themselves and others, posing questions and different potential responses, simple interactions, common phrases, to answering questions on objects, times, places, and activities
- Connected with the children through sharing jokes and riddles and gained their trust

American Community School Beirut, Beirut, Lebanon

January 2018 - April 2019

Tutor

- Needed to prepare same grade level students and the next year a lower grade level for the national exams and monitor the study hall sessions twice a week for 1 hour
- Led the study hall sessions by organizing around 30 students into groups and collaborating with 2 tutoring partners to monitor the progress of students by checking improvements at areas of particular struggles such as mathematics proofs, applying physics formulas, writing chemistry equations, and understanding biology terms
- Established the teaching of peers successfully ensuring that they all pass the national exams and developing organization skills of study sessions and ability to convey ideas to others from various courses like math through reviewing basic ideas to explain more complicated ideas weekly by teaching around six students every session

Dar Al Mussawir, Beirut, Lebanon

March 2019 - May 2019

Filmmaker

- Volunteered to learn how to film an interview and create a video project at *Dar Al Mussawir* organization and led a video project for sharing the stories of other people
- Planned the project with a partner and organized the shots until combining the individual shots for the product
- Split the tasks into categories such as filming interviews, uploading, and editing, and divided them across an 8 week period, and produced the video project within the required time frame
